COLLEGE LIST  
BUILDER

Dream School

Schools you dream of going to, but may be competitive to get into based on acceptance rates, minimum GPAs, or even high costs of tuition.

Target School

Schools you feel confident about getting accepted to, even if they're not necessarily at the very top of your list.

Match School

Schools you have a strong chance of getting admitted to. Your test scores, GPA, or coursework typically match those of other incoming students at these schools.
